## History

The Valiant Defenders were founded in 2001 in the wake of the September 11th attacks. The unit was created to provide a rapid response force that could be deployed anywhere in the world to combat terrorism. The Valiant Defenders have since been deployed to a number of countries, including Afghanistan, Iraq, and Syria.

## Mission

The mission of the Valiant Defenders is to protect the United States from all threats, foreign and domestic. The unit is responsible for a variety of tasks, including:

- Counterterrorism
- Special operations
- Hostage rescue
- Direct action

## **Training**

The Valiant Defenders are trained to a very high standard. The unit's soldiers undergo a rigorous training program that includes:

- Basic combat training
- Advanced weapons training
- Special operations training
- Hostage rescue training
- Direct action training

## **Equipment**

The Valiant Defenders are equipped with the latest weapons and technology. The unit's soldiers have access to a variety of weapons, including:

- M4 carbines
- M249 SAWs

- M240B machine guns
- AT4 anti-tank weapons
- Javelin anti-tank missiles

The unit also has access to a variety of vehicles, including:

- Humvees
- MRAPs
- Strykers
- Black Hawk helicopters
- Chinook helicopters

## **Organization**

The Valiant Defenders are organized into a number of different elements, including:

- Headquarters
- Operations Company
- Support Company
- Intelligence Company
- Medical Company

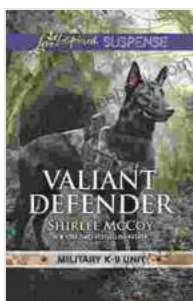

## **Legacy**

The Valiant Defenders have a proud legacy of service to the United States. The unit has been involved in a number of successful operations, including

the capture of Saddam Hussein and the killing of Osama bin Laden. The Valiant Defenders are a vital part of the United States' national security strategy.
