## By Max Lucado

What Child Is This is a Kindle Single that explores the birth of Christ from a unique perspective. Author Max Lucado takes readers on a journey through the events leading up to and surrounding the birth of Jesus, offering insights into the characters involved and the significance of this event.

Lucado begins by introducing the reader to Mary, a young woman who is chosen to be the mother of God's Son. He then follows Mary and Joseph as they travel to Bethlehem for the census, and describes the events leading up to the birth of Jesus in a stable.

Lucado also explores the reactions of the shepherds and the wise men to the birth of Jesus. He shows how the shepherds were filled with fear when they first saw the angels, but then how they were filled with joy when they realized that the baby in the manger was the Savior of the world.

Lucado also describes the journey of the wise men, who followed a star to Bethlehem in order to find the newborn king. He shows how the wise men were led by God to find Jesus, and how they were filled with wonder and awe when they finally saw him.

What Child Is This is a beautiful and inspiring book that will help readers to understand the true meaning of Christmas. Lucado's writing is clear and concise, and his insights are both insightful and thought-provoking.
